

Nursery Newsletter

Autumn 2:

We are very excited to welcome your child back to Harpfield Primary Academy. Everyone settled really well into Nursery in Autumn 1 and we look forward to making sure your child continues to make a great start to their education with us

Our curriculum:

Our focus this half term will be around space, where we will be reading a variety of stories such as 'look up', 'the way back home' and 'how to catch a star'.

Maths:

In maths this half term we are going to be focussing on subitising the number 2, patterns such as AB and ABC as well as consolidating matching and sorting which were taught in Autumn 1

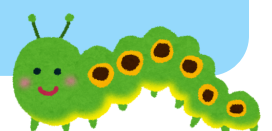

Forest schools:

Every Thursday afternoon all child will be given the opportunity to join in our exciting 'Forest Schools' activity sessions which take place in our school fields on site. Please make sure that your child has named wellies in school so that they can take part.

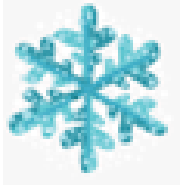

PE:

Nursery will have their PE hall slot on a Monday morning each week. Please continue to send children to school in their PE kit on Mondays. Earrings must be removed for your child to take part in PE sessions; if your child cannot remove their own earrings school staff cannot do it for them. We would advise no jewellery to be worn to school on any day. This half term in our PE lessons we will be learning lots of fundamental movement skills

Nursery Newsletter

Home learning:

Your child will continue to bring home a reading book and a discussion book. Please write in their diaries every time they read and share books with you so we can praise and reward the children. We ask that all books are please taken care of as damaged books will incur a charge.

Phonics:

We will be continuing our amazing start to our phonics this half term with us starting to write some of our initial sounds.

ROUTINES:

We will be getting into the routines of Brilliant Brushers this half term. Please support the process by ensuring water bottles do not have any juice in them and are just water.

Evidence me:

Please continue to uploading your wonderful home learning to Evidence Me for us to see what lovely things they can show you at home.

As well as keeping a close eye on seeing the amazing work your children are doing in school time.

Other notes:

Foundation Stage curriculum is an indoor and outdoor learning experience. Ensure your child has weather appropriate clothing and footwear, and a spare change of clothes at school.

We will also be holding a phonics party this half term where you will be able to come in and observe your child participate in their learning
