

YEAR 6 NEWSLETTER

key tasks - Daily reading, spelling homework and SPARX. Please also take some time to practise your SATs questions. Thank you.

WHAT WE'RE LEARNING

Reading

This term the children will continue to develop their comprehension skills through reading and answering questions from a range of genres. We will also be working on 'test-style' questions (timing and scores)

Writing

This term we will be writing a character description linked to Harry Potter. We will also be writing a set of instructions on how to play Quidditch. We would like the children to continue to work on their spellings and handwriting.

Maths

This term we will be looking at fractions, decimals and percentages.

Please remember to complete your SPARX Maths and practise your arithmetic skills.

Science

Our topic this term is Electricity. We will be looking at how electricity is made and what components are needed for an electrical circuit. Is there a consequence when the components or batteries are altered?

STAR OF THE WEEK - WHO WILL GET IT THIS TERM?

NOTE FROM TEACHER

Always try your best and never give up!!!

We can do this!!

ACTIVITIES

PE

This term our topic is Hockey. We will be learning skills of Hockey and the importance of Teamwork - Collaboration. We will be studying the work of Imran Sherwani.

After school clubs!

We offer a range of extra-curricular clubs. SATs SMASHER CLUB is going to continue up until SATS. The children have put 100% effort into the club!

DON'T MISS THIS!
