SUMMER 1

Welcome back for the start of the Summer Term. We hope you all had a lovely break.

The following learning is planned this term:

LITERACY

- This half term the class will start to read some myths and legends from Ancient Greece. The class will also be working on their Shakespeare project linked to A Midsummer Nights Dream. We will continue learning new spelling rules and spelling homework will be sent out each week.

READING

All children will take part in Whole Class Reading sessions on Fridays as well as individual reading. It is expected that all children read their individual books at home at least 4 times weekly. Please continue to fill in the reading records to show us what you have worked on/read at home.

Miss O'Neill, Miss LeQueux, Mrs Rigby and Mrs Lockett

TOPIC

Our topic for this half term is 'Earth' looking at lines of latitude and longitude and time zones across the world. We will then move on to 'Rivers' we will learn about the features of Rivers as well as learning about our local river.

Science: Our science learning will be focused on how humans change and develop as they from babies to old age.

In DT we will learn about structures.

PE: This term Year 5 will be swimming. Please bring a towel and swimming costume/trunks in a suitable bag.

MATHS

We will be working on statistics this term moving onto shape and position and direction. Sparx homework will be linked to what the class are learning in maths each week. Please make sure you are making the most of all the online practise sites we have e.g. TimesTables Rockstars, Numbots...to secure the skills we are practising at school.
