'Achieving Success Together'

15 October 2019

Dear Parents/Carers

Our Town Project - Culture and Diversity

Monday 21 October to Friday 25 October 2019

After the success of last year's Our Town Project, all the schools across the trust are doing the project again with the theme focusing on **Culture and Diversity**. This will be a week where the children will be exploring and celebrating different cultures within our school and in Stoke-on-Trent.

We will start the week off with an exciting Brazilian dancing workshop funded by the PTFA. On **Friday 25 October** the children can come to school dressed in their own cultural clothing or colours of their national flag (no football kits). We will also be doing a showcase on Friday, called **Eat to the Beat** at **2:45pm**. We would like to invite you to join us to see all of the work the children have produced and taste a sample of foods from different cultures.

We would appreciate any food donations to celebrate your culture that we could use for our showcase. If you are able to provide any food donations please fill out the form below and label the ingredients for allergy purposes.

We are very excited about the week and we hope to see you at our showcase.
