

Nursery are off to a brilliant start to their new half term.

Evidence Me

Evidence Me is our secure online learning journal which we use to record observations of children's learning and development. If we have your email address, you will have been invited to Evidence Me already and should be seeing updates on what your child is working on in school. Please add your own wonderful experiences too! There is a post on our class story on Class Dojo which will give you an overview of the learning points for nursery. These may be a useful guide when uploading to Evidence Me.

Our Learning themes this half term will be based around the books:

Five minutes peace

Kindness Grows

The Hungry Caterpillar

The Ugly Duckling

Oliver's Fruit Salad

The Tiny Seed

Reading and Homework:

The children have made a fantastic start to getting used to homework. Thank you very much for all your support with this. We are going to be working this half term at consolidating phase 2 and moving into more oral blending related tasks to go alongside the handwriting children are doing. Please continue to send in homework books on Monday and we will aim to return these for Wednesday.

Reading books and diaries should come to school every day so that children can read with an adult when it is their turn to. We ask that you please write a comment in the children's diary when they read at home. The expectation as they move through school will be that they read a little every day, so now is a brilliant time to start getting into this routine.

PE

Nursery will have their PE hall slot on a Tuesday morning each week. Children will need to come dressed in their PE kits ready on this day. Please wear dark jogging bottoms over the shorts and a school jumper/ cardigan over the light blue t shirt. Children will also need to wear trainers to access outdoors throughout the day.

Earrings must be removed for your child to take part in PE sessions; if your child cannot remove their own earrings school staff cannot do it for them. We would advise no jewellery to be worn to school on any day.

This half term in our PE lessons we will be learning lots of new skills in Gymnastics including running, jumping, balancing, rolling.

If you have any questions, please message on Dojo!

Mrs Ahmed, Miss Douglas and Miss Holland
