

I am so happy to say that all of the children have now settled back into school life which is a great achievement! Reception are AMAZING and I am really proud of them all for coping so well with another unusual aspect of their school learning journey!!

Our new topic will change to pirates and ways to travel for the next half term. The children are bound to have some swashbuckling fun!!

PE

Our PE lesson will be on a Monday.

The children will need :

- Blue shorts
- Pale blue polo shirt
- Pumps or trainers

No earrings or watches to be worn at all.

We will also be visiting the forest on a Monday or a Wednesday so wellies and coats/hats and gloves will be needed.

Reading

All children will continue to read to an adult on a one to one basis every week so please ensure that reading books are brought into school on a daily basis.

We would really appreciate your support in completing the reading diaries so that we can see when a book has been completed.

CLASS NEWSLETTER

Homework

Our new 'Pirate' themed home learning challenges have been added to Class Dojo and these have a variety of different challenges for you to complete with your child. The tasks should last the children until May half term if they complete one each week..

Please keep up the hard work, the children are always so proud of their efforts when we share the home learning added to Class Dojo and it is really interesting to see which challenges the children have enjoyed completing the most.

Water Bottles

Please can children bring their own water bottle in to school every day. This really saves precious learning time as children can access these from the classroom when they are thirsty.

If you have any queries or concerns, please contact any of our team at the end of the day.

All Foundation Stage Two staff :)
