

YEAR 6 NEWSLETTER

Year 6 - Summer 1 Newsletter

Welcome to the summer term!

We hope that you had a fun filled break.

The following learning is planned this term:

We will be continuing to work hard on making sure our previous knowledge from previous year groups is consolidated throughout the term.

Literacy: We will be continuing our work on J.K Rowling's Harry Potter and the Philosopher's Stone. We will write a biography on the author, J. K Rowling, and write a descriptive piece of writing on the Mirror of Erised. We will also continue to secure our reading skills during whole class reading lessons and embed the key stage two SPaG (spelling, punctuation and grammar) curriculum.

Maths: We will be recapping our previous learning and embedding our basic skills in Maths ready for our transition to High School.

PE: Every WEDNESDAY - delivered by Bee Active.

No jewellery or watches will be allowed to be worn during PE and long hair must be tied up. Please don't forget to come to school in your kit ready for PE.

Science: In Science, we will be completing our learning about the classification of animals. We will delve into understanding electricity by making and circuits.

PSHE: Tolerance and relationships

Reading is an integral part of your child's education and support from home will be very much appreciated. It is expected that children read their individual book at home least 4 times a week please. Children also have access to MyOn at home where they can read additional books through an online library. Please fill in the reading records to show us that your child has read at home.

Homework Compulsory weekly spellings will be set on Class Dojo. In addition, all children have access to Times Table Rock Stars and Prodigy which will help support in their learning in maths.

Please do send any of the Year 6 staff a message on Class Dojo if you have any questions or concerns.

Thank you for your continued support,
Miss Latham, Mrs Scragg and Mrs Bebbington
