

YEAR 6 NEWSLETTER

Year 6 Autumn 1 Newsletter

Welcome back to a new and exciting year in Year 6. I hope that you have had a great summer break! This letter is to provide you with some useful information about the autumn term and the topics that we will be covering.

Curriculum coverage

Literacy – To begin our year, we will be focusing on the place value of punctuation and grammar to help secure our understanding of the different word classes before building on this further throughout the year. After, a range of genres and Spelling, Punctuation and Grammar (SPaG) activities will be focused around and linked to our class text this term— *Wolf Brother* by Michelle Paver. We will be writing our first narrative on a setting description. We will continue learning new spelling rules and spelling homework will be sent out from next week.

Maths – We will begin our maths lessons with number and place value to secure our knowledge of number which underpins all of our other maths learning. After, we will focus on four operations which include: addition and subtraction; multiplication and division.

Computing - Communication; E-safety—self-image and identity

PE - Thursday—Swimming and Gymnastics. Please come to school in your PE kits (see uniform information in the picture to the right) and bring in your swimming kit.

PE Kit – children will come to school dressed in their PE kit for their PE days
Light blue t-shirt and navy blue shorts
Plain navy blue or black hoodie/ school jumper to go over the top of the above
Pimsoles or plain black trainers (slip-on or velcro fastening for younger children)

Art and Design – Drawing and painting; Friedensreich Hundertwasser

Science—Evolution and Inheritance

History—Ancient Civilisations: Why were Ancient Civilisations so successful? We will delve into the ancient civilisations and do an in depth study on Indus Valley.

PSHE— Relationships

Music— The War listening and appraising

Swimming will take place on a **Thursday**. More information will be out soon. Please look out for information regarding swimming via Class Dojo and Arbor.

Reading is an integral part of your child’s education and support from home will be very much appreciated. If you could please read with your child 4 times a week and record it in their diaries; this will then assist with your child’s progress. Each child is being provided with a special reading diary. There is only one page per week in the new reading diaries; evidence of the book being completed (or nearly completed) at home will be needed to change books. You will also find spelling words and helpful hints about reading at home, alongside a place to add new vocabulary.

Homework will include our **compulsory weekly spellings**, which will be sent out on paper, and **optional tasks** will be set on Class Dojo. Any assistance you can provide at home to help your child remember their times tables will make a big difference to their attainment at school - which will support them in our preparation for SATs. All children have access to **Times Table Rock Stars** and **Prodigy** which will help support in this area. Please also use access to: **Spelling Shed**, for spelling practise, and **Myon**, for an online library at home.

It is very important to me that your child is happy during their time in Year 6 and that there are strong links with parents. We are keen to support the children as much as possible as they get used to being back in school. We recognise that the children will have gaps within their learning therefore we will be working to address this through undertaking catch up sessions.

Please do speak to any of the Year 6 staff if you have any questions or concerns.

Many thanks,

Mrs Powell (Miss Latham’s married name), Mrs Bebbington and Mrs Degg
