

What a wonderful Autumn term it has been in Reception. The children have all really enjoyed our topic - All about Space and have learnt lots of very interesting facts about our solar system! The knowledge that the children now have demonstrates the value of our child-led curriculum as it was the children who initiated learning about this topic!

We are now very excited about our new topic 'Fairy Tales' which will be our Spring Term 1 Topic.

PE

Our PE lesson will be on a Monday.

The children will need :

- Blue shorts
- Pale blue polo shirt
- Pumps or trainers

No earrings or watches to be worn at all.

Whilst the weather is still dry we will also be visiting the forest on a Monday so wellies and coats/hats and gloves will still be needed.

Reading

All children will continue to read to an adult on a one to one basis every week so please ensure that reading books are brought into school on a daily basis. We would really appreciate your support in reading with your child at least four times per week and completing the reading diaries so that we can see when a book has been completed.

CLASS NEWSLETTER

Home Learning

Our new Fairy Tale themed home learning challenges have been added to 'Class Dojo' and they have a variety of different activities for you to complete with your child which relate directly to our topic. The tasks should last the children until February half term but if you should require more then please let me know as I am happy to add more for you.

Please keep up the hard work and share what the children do at home on 'Evidence Me' or 'Class Dojo' as the children are always so proud of their efforts and it is really interesting to see which challenges the children have enjoyed completing the most.

Water Bottles

Please can children bring their own water bottle in to school every day. This really saves precious learning time as children can access these from the classroom when they are thirsty.

If you have any queries or concerns, please contact either of us at the end of the day.
